My dear General Smith:

In accordance with the recommendation made by the Psychological Operations Coordinating Committee on August 18, 1952, I am forwarding the enclosed statement, concerning the foreign information policy guidances which are issued by the Department of State, for the concurrence or comment of the Central Intelligence Agency.

The statement was developed by the Committee to provide all departments and agencies with an agreed interpretation of the provisions of NSC 59/1 pertaining to coordination of foreign information policies for the information of all overseas missions engaged in foreign information activities.

Sincerely yours,

For the Secretary of State:

/s/ Wilson Compton
Administrator
United States International
Information Administration

Enclosure:

As stated.

General Walter Bedell Smith
Director,
Central Intelligence Agency.
